How do you feel when you see a rainbow? Its bright colors remind you of the happy days of your high school life. The color red symbolizes romance as many young loves blossom from your sophomore year Welcome Back Dance to your Senior Prom. Secondly, yellow represents the warmth and sunshine of times spent with good friends. Next, green symbolizes the growth of a seedling as it matures into a tree which branches into society. Blue represents the sadness of leaving high school friends, favorite teachers, and all the good times. Finally, violet symbolizes the dreamlike mystery of the future. Together these colors represent the spectrum of life.

In this 1982 edition of ***The Patriot,*** *our theme is "The Rainbow Connection." The staff hopes that the following visions of our life at Patapsco will make you choose to believe in its magic. You have heard it too many times to ignore it; it's something that you're supposed to do. We hope that someday you'll find it, the rainbow connection, the lovers, the dreamers, and YOU!*

In Patapsco, there are many students who work hard to achieve their highest goal in high school. This page recognizes those few special people who have. Whether it be constant participation in sports, music, art or extra activities, these students have proved to be proud Patriots. The Yearbook Staff salutes and wishes you all the success and happiness in this very competitive world. For many others there is still time to achieve your goals; all you need to do is try and work hard! Because of these students and many more like them, Patapsco has earned the right to be called NUMBER 1!

THEATRE ARTS

Theatre Arts is a class in which students learn basic acting principles and theatre arts techniques. In the beginning of the year, the class began performing small skits, and through the hard work of many individuals, there blossomed a variety of successful productions. Some of productions were Neil Simon's "Barefoot in the Park" and "Cabaret," a combination of both comedies and melodies. Ms. Marlowe, the Theatre Arts teacher, likes the class because "students are able to act a bit more uninhibited than they would in a normally structured class." Willo Wood, a student in Theatre Arts, comments, "I really enjoy the class. I got to meet a variety of people and see them express themselves through acting." There's always something for everyone in Theatre Arts! Think about it . . . maybe acting is for you!

Paula Rinker, the fairy godmother, puts a spell on the beast, Randy Nelson.

"Oh WOW", says Willo Wood dressed as her favorite go-go.

Little Red Riding Hood, Denise Linz, trys to get away from her attacker as Ramona Kott helps.

Members of the Theatre Arts class, led by Mrs. Marlowe goof off for a picture.

Amy Huffman and Michelle Oliver act out a scene for the class.

NEWSPAPER STAFF

The Colonial, *the school newspaper, publishes six issues a year. Students learn basic layout techniques and how to write sports, news, and feature articles. Mr. Cook is the Advisor and Pam Edwards and Tim Samuels are Co-Editors-in-Chief. The class, with its relaxed atmosphere, resembles a club rather than a class; however, with every issue printed, comes a new set of problems and endless hours of afternoon work. This is necessary, according to Mr. Cook, in order to achieve his primary goal which is "to put out a first rate high school newspaper." In his first year as advisor, Mr. Cook led* ***The Colonial*** *to a fourth place ranking in the Maryland State Press Association Awards. Tim Samuels reflects the attitudes of most of the staff in saying, "Writing for the newspaper gives me not only the opportunity to express my views but also those of the student body. It gives me satisfaction knowing that when someone reads my articles, it makes them stop and think."*

Mr. Cook and Pam Edwards think about an article for the paper.

Members of the ***Colonial*** *staff work on layouts*

Patty Kessler types feverishly to meet a deadline.

The ***Colonial*** *staff consists of Dianne Mack, Neil Patterson, Patty Kessler, Colleen Rogers, Greg Haas, Cindy Miller, Brian Fleming, Pam Edwards David Wile, Bill Batton, Frank Cassidy, Tim Samuels, and Adviser Mr. Cook.*

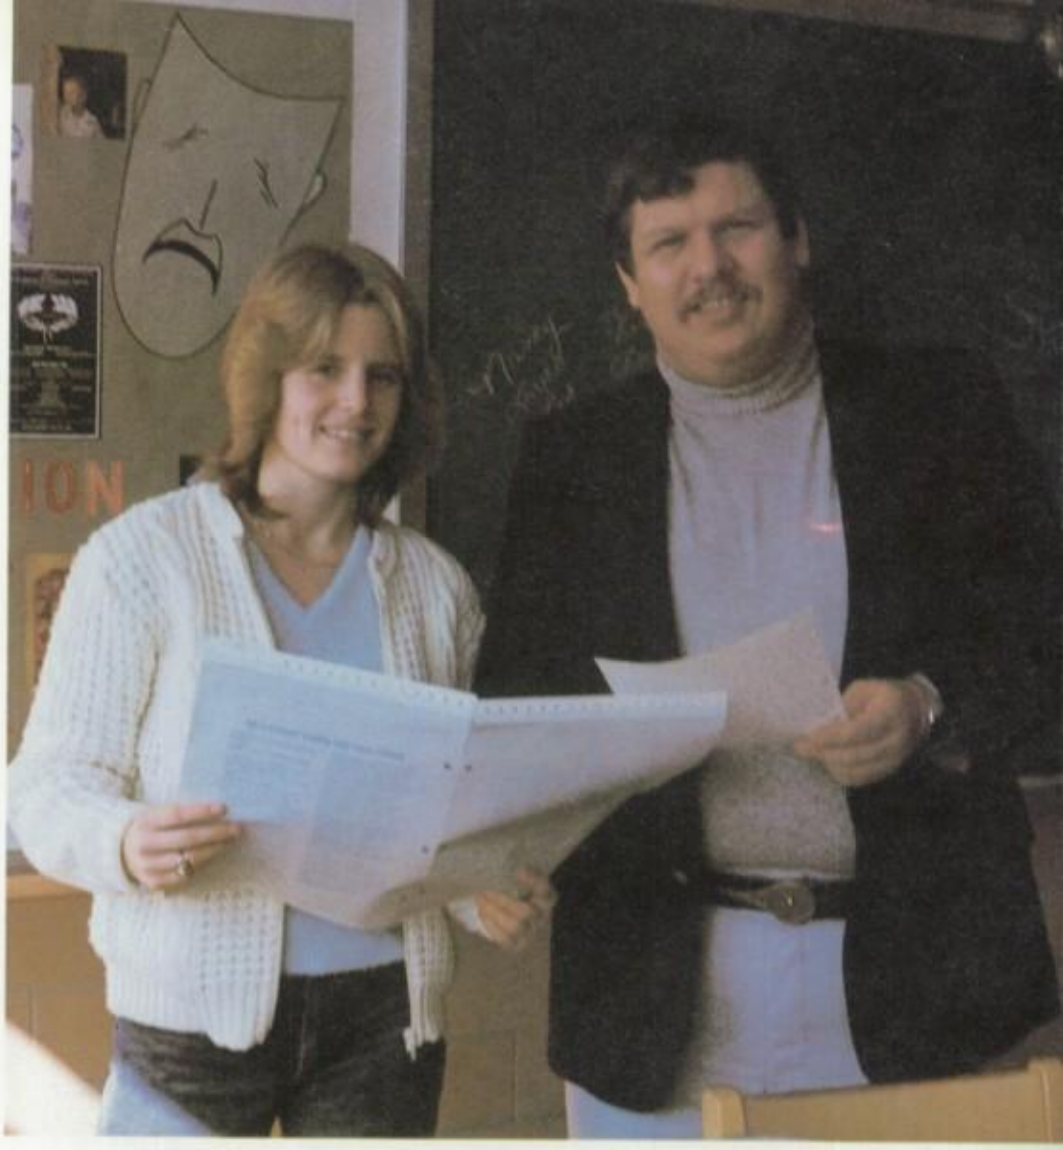
PATRIOT STAFF

The Rainbow Connection, a collection of the colorful memories of the 1982 school year, has been put together by a conscientious ***Patriot*** *staff. The staff has worked hard since the first days of the year learning the basics of yearbook preparation and layout. The various sections of the yearbook were divided among the staff members, who were anxious to begin work on a long tedious project. Patty Kraemer, the editor-in-chief and Mr. Dick, the adviser, helped the staff with various yearbook tasks throughout the year. Mr. Roth and the photography club contributed by taking pictures. Segall-Majestic supplied photographers for the dances and major activities. Together, the staff and all its helpers created this memorable book, your 1982* ***Patriot.***



Editor-in-Chief, Patty Kraemer and Adviser, Mr. Dick, discuss layouts.

ENGLISH

English, one of the required courses at Patapsco, teaches students the skills needed for everyday communication, both verbal and written. While Sophomores and Juniors take mandatory English 10 and English 11, Seniors have the privilege of a diverse choice at different skill levels. The options include Business English, Comprehensive English, Cooperative English, College Preparatory English, and Enriched English. Most students choose the type of English course necessary for their future needs after graduation. The English Department offers electives such as Journalism I, II, and III and Speech, to students who enjoy these subjects. Interested students also assist in publishing ***Images,*** *the school's literary magazine. In each of Patapsco's courses, students are given the opportunity to expand their English knowledge, display their creativeness, and have fun in the process.*

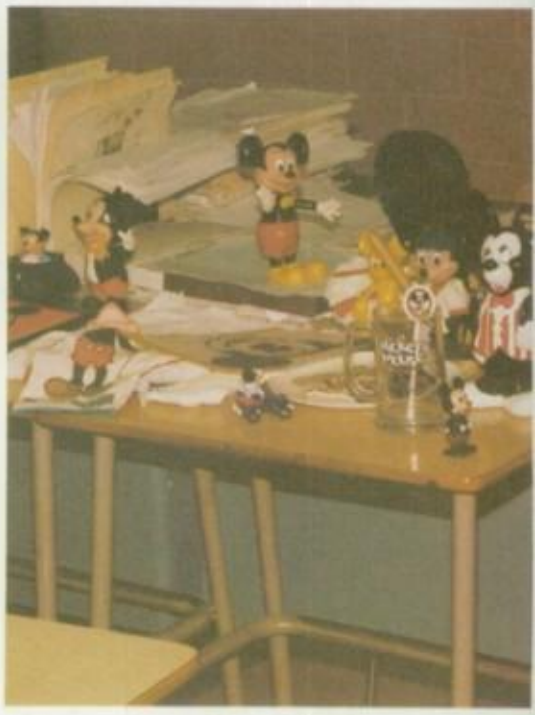
HUMAN BEHAVIOR

It's the last day of the semester. Teachers are busy collecting books and checking numbers - all except Mr. Byrd. On this day, this social studies teacher does something that many people consider "out of the ordinary." Since 1970, this Mouseketeer has been recapturing the Mickey Mouse spirit for his students on their last day of class. He proudly displays his Mickey Mouse collection that has almost everything one can imagine. It seems to be great fun, but the psychology of the situation takes us a bit deeper than that. He exhibits his collections, humor, and love for this cartoon character to teach students the importance of expressing their inner feelings and frustrations. "It brings out the little kid in me." What started this decade-old tradition? Mr. Byrd recalls the incident. "In 1970, a girl went to class wearing a Mickey Mouse tee-shirt, and the teacher wouldn't allow her in the classroom. She then gave me the Mickey Mouse shirt and asked me to wear it. I did and it created an uproar. Afterwards, she thanked me for not being a "Mickey Mouse teacher." While a small group of students consider his actions a bit crazy, it is enjoyment for the majority and they remember it for life! Thanks for the laughs and the insight, Mr. Byrd!

Mickey Mouse is a very special subject in this class.

"Join The Jamboree" was the motto of this class as they display Mr. Byrd's special collection.



Mickey Mouse is NUMBER 1!!

Mr. Byrd sings the Mouseketeer Song to his classes who enjoy it very much.

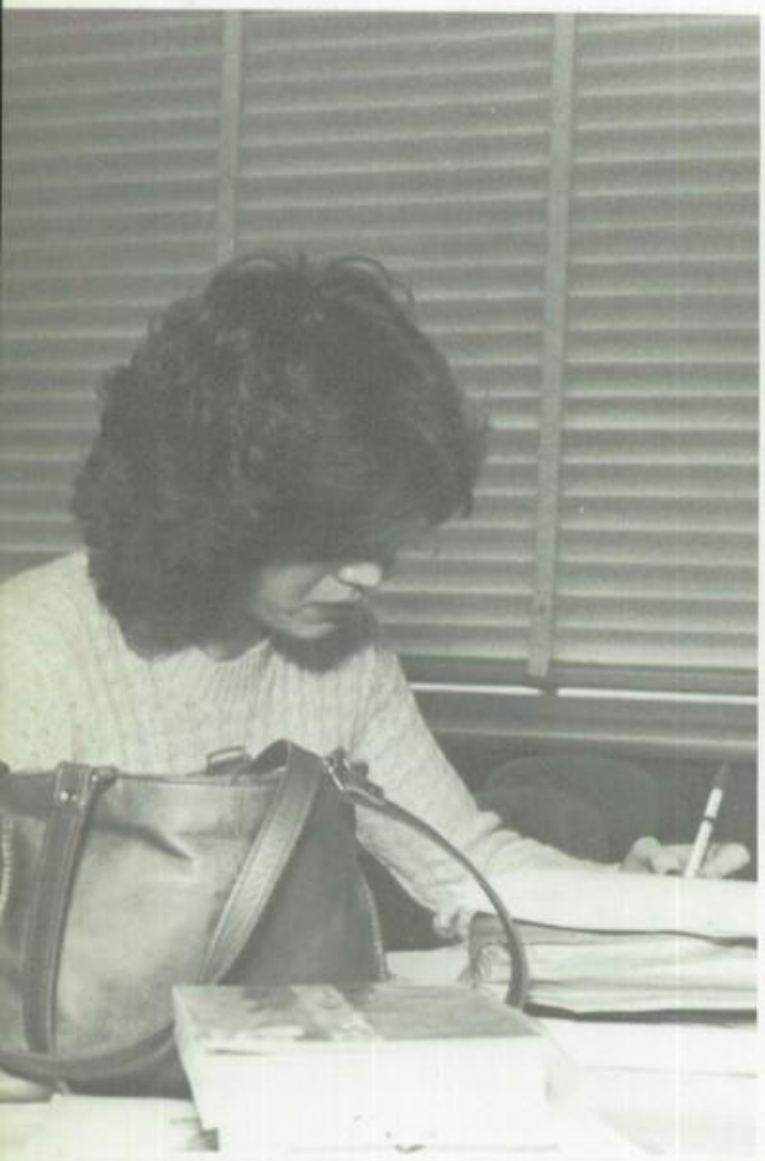
Some of the club's activities include serving as pages for PTA meetings, hosting guests for career day, enjoying a dinner at Haussner's restaurant and taking a trip to Hershey Park.

WORLD HISTORY

Social Studies is a required course for all students at Patapsco Senior High School. The underclassmen learn about the past, which helps them understand the present. The sophomores are required to take World History; the juniors, United States History. According to Mr. Wood, it is important to learn about history because "we can develop an appreciation of how people think and live. Also, we can realize the impact of other cultures on our own." Seniors are required to take a semester of Constitution, Citizenship, and Public Issues (CCPI). They have a wide selection of Social Studies Electives to choose from for the other semester. The choices include: Dynamics of Human Behavior, Archeology, Economics, and Modern History. Mrs. Hinkleman, who has been at Patapsco for nineteen years, thinks it is a good idea for seniors to make a choice in electives because "it gives them a chance to concentrate in certain areas that they enjoy.

Sophomores enjoy class discussions in World History.



A senior student works conscientiously on her Dynamics of Human Behavior project.

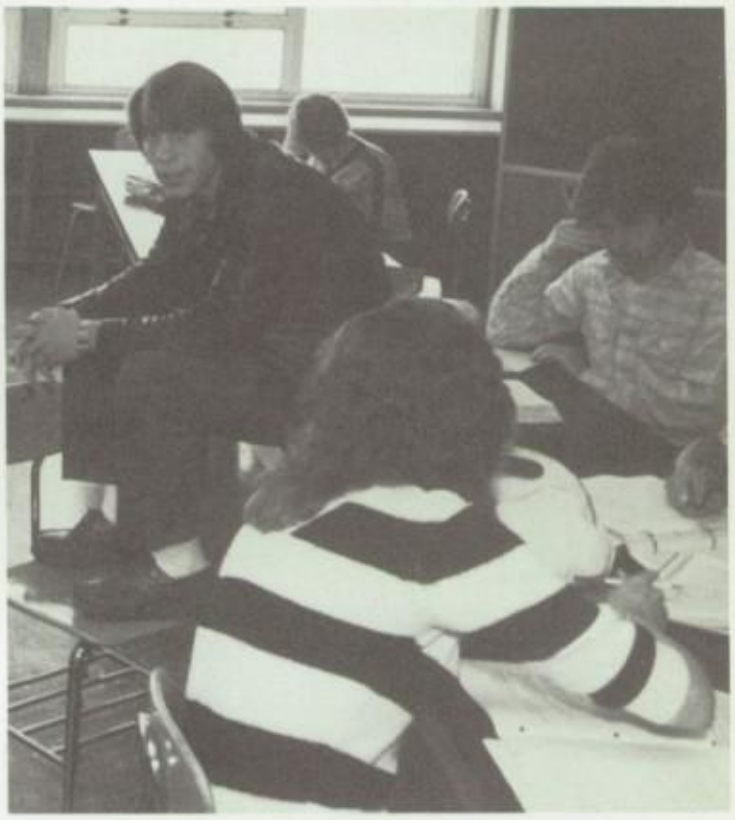
PLACES TO STUDY

Do people really study in the library?



Some people study in study hall, but what about the rest!?

Mary Sell and Lisa Spataro cut it close and cram for the test just before class.

This is a very useful study.

When you think of school, you think of books; and with books, you automatically think of studying. Though students hate to admit they study, it is essential for passing. While most students study at home, some choose to deviate from the norm. They select some unique places such as the noisy school library, the period prior to the test, study(?) hall, and some cut it awfully close-just before the late bell rings and the teacher passes out the test!!!

This sophomore study hall does everything but study.

Seniors had the choice between "punking out" or going "prep." Tuesday was 50's DAY, the day that seniors traveled back in time and dressed like many of their parents did in their high school days. Wednesday was "ALMOST ANYTHING GOES DAY." This was the day that seniors dressed as outrageously as they wanted. Thursday was HAT AND PIN AND COLOR DAY. This has been one of the favorites in the past and many seniors proved this again this year. Friday was the climax of the week, SENIOR TEACH DAY. Seniors took over for the teachers, secretaries, administrators and other Patapsco employees. This day was very successful and students who didn't teach had to admit that they did learn something. Overall the entire week was successful because the Class of '82 proved they were the most spirited class ever at Patapsco.

SOPHOMORE CLASS OFFICERS

In 1982, new "blood" circulated throughout the school. The class of 1984 replaced the absence of the graduating class of 1981. Mr. Rising took the Sophomore Class Steering Committee under his wing and will continue to advise the class until graduation in 1984. Class officers Lynn Clark, Tina Basso, Tina Graziani and Teresa Proctor put forth a special effort to prove to Patapsco that the class of 1984 was Number 1.

Mr. Tony Rising is Sophomore Class Advisor.

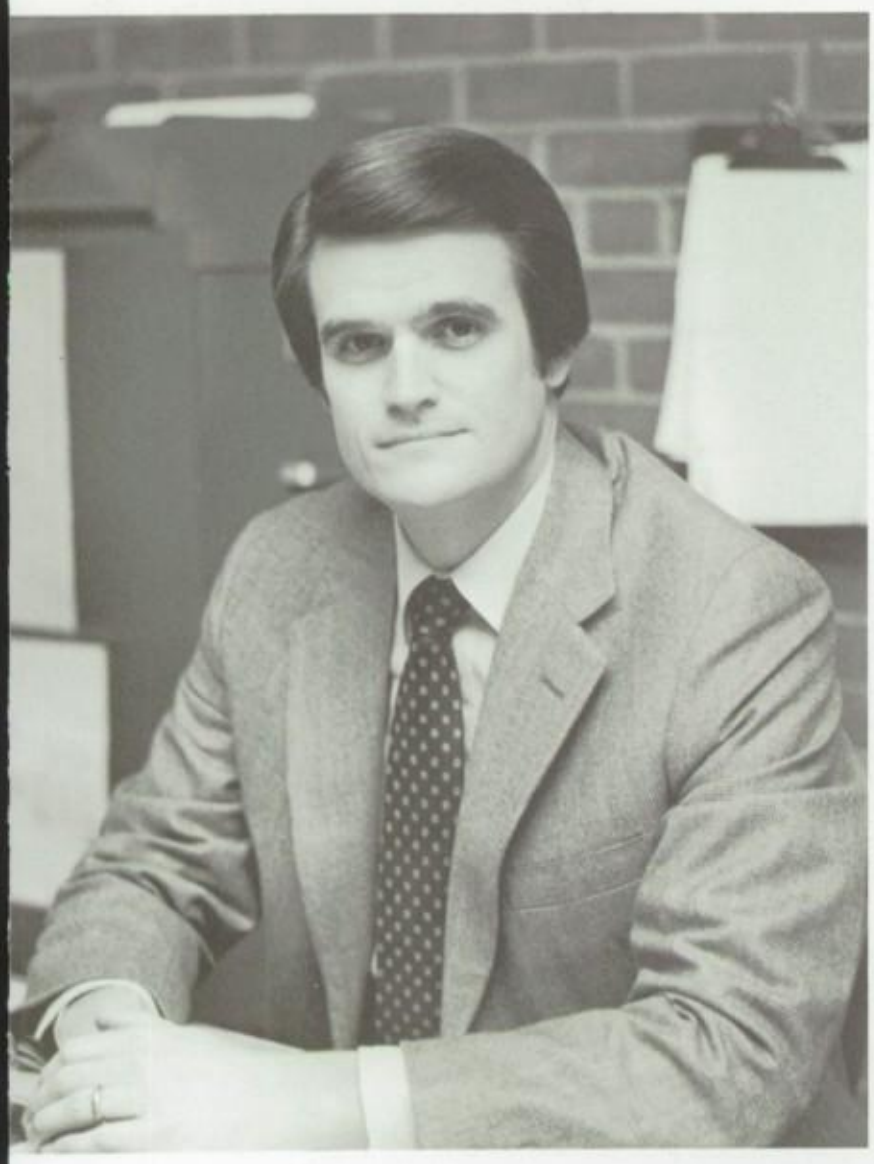
TEACHER

FACULTY

PATAPSCO ADMINISTRATION

David G. Greenwood *- Principal.*
The halls of Patapsco are a familiar place for Mr. Greenwood. Mr. Greenwood had been a teacher and administrator here at Patapsco for sixteen years. In 1979, he left to become the principal at Catonsville Junior High School where he remained for two years. This year Mr. Greenwood graces our halls once more as our principal. He has some fine ideas for making Patapsco a better school. He plans to enhance students' basic reading skills, promote better attendance, and stress responsibility. When asked how he thought Patapsco was different from his other school, he responded that it is much quieter here and the students are more mature. Mr. Greenwood's favorite part about being principal here at Patapsco is the opportunity of working with all kinds of people. Mr. Greenwood is involved with activities such as Vice President of the Dundalk Concert Association and Chairman of the Dundalk Jaycee Alumni Association. He enjoys watching spectator sports, making candles, and relaxing in his spare time.

1981 - 1982



Harold A. Hatton - *Assistant Principal*
Mr. Hatton enjoys planning the schedule for each new year. He feels this has been a very successful one. There have been fewer suspensions this year than in the last five years and Mr. Hatton thinks it is because of better discipline. One thing he would like to see changed in the school is getting the students to realize the importance of learning. To quote Mr. Hatton, "Smart people learn from the experiences of others."

Bruce D. Wiser - *Assistant Principal*
Mr. Wiser has been at Patapsco for eleven years. When we asked him how he thought this year's students are different from past students he responded that they are better able to adjust to senior high school. They go a little wild at first because of the amount of freedom and by midyear they have settled down and are well on their way to becoming young adults. He is a reasonable, understanding, and relatively calm man. Mr. Wiser enjoys camping, traveling, music, and plain old relaxing.

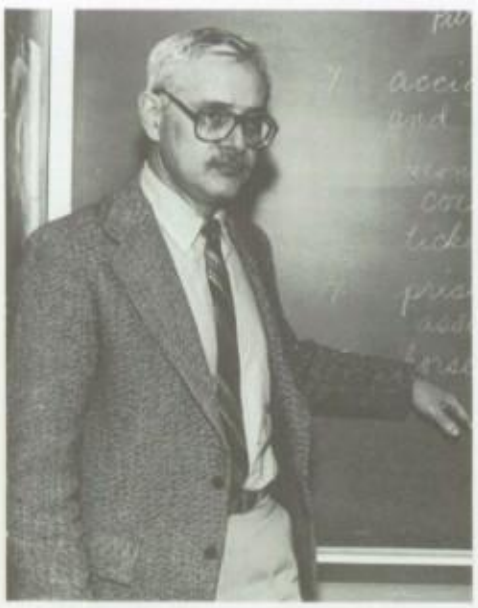
Douglas H. Ludwig - *Assistant Principal.*
This will be Mr. Ludwig's last year at Patapsco. He will be principal at the Southeastern Vocational Technical Center. next year. Mr. Ludwig's favorite part of his job is helping young students to become successful, mature young adults. The things he likes least is having to take disciplinary actions like suspensions and detention. Mr. Ludwig enjoys hunting, fishing, and reading mysteries. Mr. Ludwig believes in keeping the community informed on the good things going on in the school.

George Antonas *- Physical Education. How do you feel this year's students are different from past students? They have a better attitude and their behavior has improved.*

Joseph P. Barry *- Math 12, College Algebra & Algebra II.*

Mrs. Biddlecomb and Betty Kommalan read to the pre-school children involved with E.R.P. class.

Dayle Bennett *- Typing I, II, and Business law.*
What are some of your hobbies? I enjoy playing golf and tennis. What do you like most about your job? Working with young adults.



John Benser *- English 10.*
What are some of your hobbies? Art, reading, tennis, horses, wildlife, and theater. What do you like most about your job? Helping students become responsible for their own achievement.

Joseph Berry *- Cooperative Work Experience.*
Are you involved with any activities this year? Cooperative Ed. Club - bowling, skating, and banquet fundraisers.

Marie Biddlecomb *- Education for Responsive Parenthood, Foods & Nutrition.*
In the past school year what did you like best? Faculty friendship. The least? Cut in staff.

Marvin Bigham - *Guidance.*
How do you feel this year's students are different from past students? Much more settled. What are some of your hobbies? Tennis and restoration of my century-old house.

Alfred Blaney - *World History 10.*
What do you like best about your job? The feeling that I may have been a positive influence on someone. Are you involved with any activities this year? Class sponser of the Class of 1982.

Jonnie Bowman - *Physical education.*
Are you involved with any activities this year? C.L.U.B. - one athletic activity per month, Varsity Volleyball, Varsity Basketball, Varsity Track & Field, and Girls Lacrosse.

William Broda - *Mechanical Drawing, Advanced Drafting, Architectural Drafting, Understanding Your Car.*
What do you like most about your job? Working with the people; both students and faculty.

John Burke - *Geometry, Algebra I, Consumer Math.*
What are some of your hobbies? Reading, woodworking, and model trains. What do you like most about your job? I like and respect the faculty and student body - this high school is second to none.

William Byrd - *Social Studies, D.H.B., C.C.P.I.*

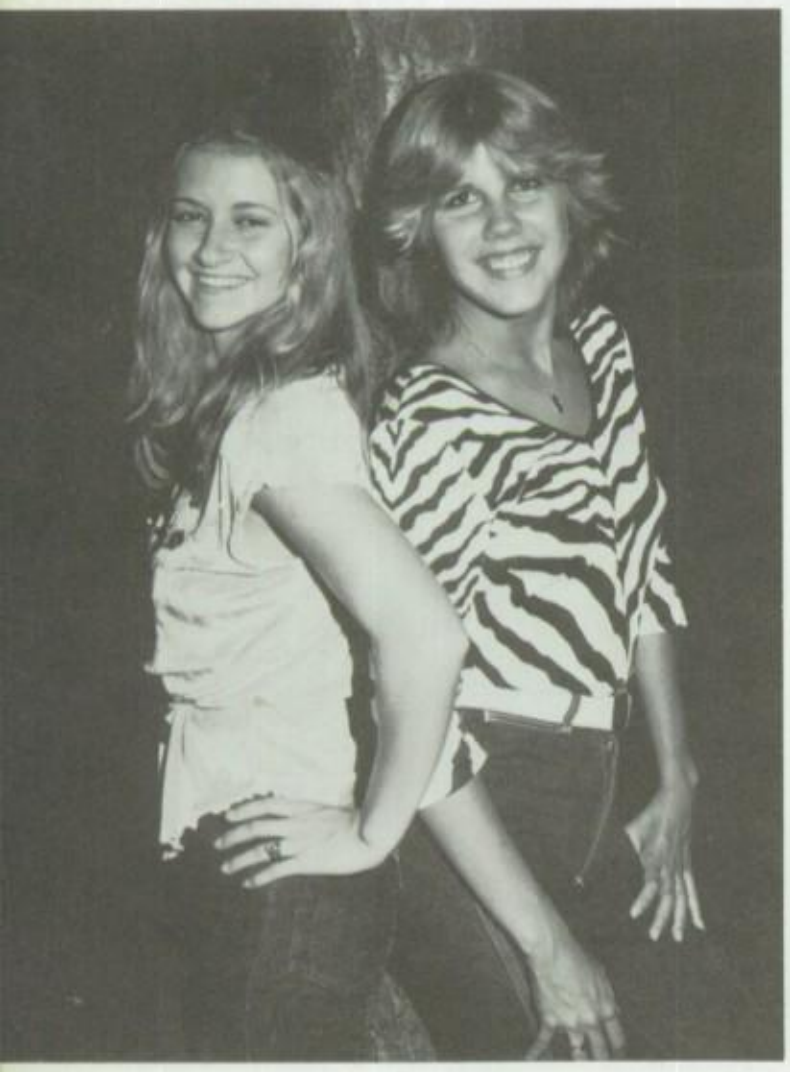
WELCOME BACK DANCE

Excitement filled the air as the students of Patapsco prepared to welcome in the new school year. On Friday, September 11, 1981, old friends and new acquaintances filled the cafeteria for the Welcome Back Dance . From 8pm to 11pm, Patriots rocked to the sounds of "Apricot Brandy." As the night went on, Patriots reminisced about the events of the past and planned for those of the future. After the dance was over, everyone headed for their favorite hangout to make the evening complete. Chairpersons, Denise Keller and Carol Kowalski, felt that the event was a large success and it was evident that everyone had a good time. Most of the student body felt that it was a terrific way to start off the year.



Kim Beale and Sandy Macek thought it was a good way to start off the year.

The day had finally come! On Friday, October 23, 1981, the class of '83 received their rings and officially became Juniors. The entertainment was provided by "Apricot Brandy." The theme was "Turn, Turn, Turn," a very appropriate one since the seasons were turning, shiny new rings were being turned, and, most importantly, the underclassmen of '83 were turning into Juniors. The evening was highlighted by walking through the ring, for the '83rd turn with that special someone. The class officers and sponsors felt that the event was an overall success. Tammy Ricketts commented, "It was a night that we'll all remember!"

Julie Jones turns Danny Basil's ring for the 83rd time.

Travis Raines and Donna Willet stand in the ring after the special 83rd turn.

Tension was mounting; excitement filled the air as the audience and contestants waited for the new Miss P.H.S. to be announced.

On Friday the 13th of November, over fifty girls participated in the Miss P.H.S. pageant. The girls were required to model street attire and formal wear.

Through all the practices and rehearsals, the girls had become friends and were very close.

BAREFOOT IN THE PARK

This year the Drama Department presented the play, ***Barefoot In The Park. Barefoot in The Park*** *is about a newlywed couple named Paul and Corrie Bratter. Paul is a very practical lawyer and Corrie is young and very much in love. Corrie makes two good friends. The first is a telephone repairmen, and the second is Victor Velasco, a 58 year old flirt. The trouble begins when Corrie arranges a date between Velasco and her widowed mother, Ethel Banks. POPS CONCERT

The Music department of Patapsco knows how to start the year off right. On October 29, 1981, the Pops Concert was put on. Under the direction of Mr. Kovacs and Mr. Smeallie, the band and the vocal music groups worked hard to prepare for this early concert. Admission was free, so this made even more tempting for the students, parents, and faculty to come to the concert. Patapsco can be proud of both the vocal and instrumental classes in our school.

Mr. Smeallie takes a bow after the fine performance of the Concert Choir.

Ken Adams, Bob Carona, Lori Andrews, and Kim Humphrey sing for the audience.

Cathy Cheseck and Cathy Mikolaichik display their instrumental talent on the clarinet.

WINTER CONCERT

Fred Carter portrays Santa at the Winter Concert.

Mark Maust and Ted Nelson play saxophone for the school band.

Were Santa and his elves really at Patapsco? No, but the Concert Choir was. Dressed as everything from Mr. and Mrs. Santa to packages under the tree, they performed for the parents, students, and faculty of Patapsco. On December 17, 1981, the Winter Concert was held. The Mixed Chorus, Concert Choir, and Chorale, under the direction of Mr. Smeallie, along with the band, led by Mr. Kovacs, showed off their talents. The biggest treat was seeing Fred Carter and Trish Patterson dressed as Mr. and Mrs. Santa Claus.

Mrs. Santa, Raggedy Ann and Andy, and Santa's elves gather to sing Christmas carols.

Chris Tanner, Vic McGrady, Naomi Fleckenstein, Bob Carona, and Jeff Forcey entertain the audience.

ROCKIN' AROUND THE CHRISTMAS TREE

On December 18, the student body gathered to share the Christmas spirit. "The Majestics" provided the music for the last dance of 1981. The evening was a festive one, and everyone was in good spirits because of the approaching holiday season. The cafeteria was attractively decorated with tinsel, mistletow, snowflakes, and a Christmas tree. The decorations added to the wintry effect. The night came to a climax when Peggy Caldwell and Randy Garrison were chosen the Christmas Ball's Queen and King. Lori Rolfes commented, "It was a night to remember, and it really got me into the Christmas Spirit."

Melanie Sewell and Fred Carter join in the holiday festivities.

Margie Lotman "rocks around the Christmas tree."

Anita Lovett, Angie Witles, and other Patriots dance the night away.

THE VARIETY SHOW

Patapsco Senior High, just like many other high schools, is loaded with talented and unique students. On January 29, the Patriots got a chance to "strut their stuff." The Variety Show was an appropriate name because there were a variety of acts. They ranged from dancers to singers; from a magic act to a monologue on dialects. The show even had "commercials." Among those performing were the Jean Kettel Dancers, Amy Huffman, Jeff Forcey, Chip Rosen, Willo Wood, and a square dancing group consisting of Sue Pawlikowski, Lori Rolfes, Denise Nelson, Michelle Jankiewicz, Rochelle Lukas, and Berta Hanna. Senior Rick Conway organized the program. He was also the Master of Ceremonies. Through much hard work by everyone involved, the night proved to be a memorable one, filled with talent and hilarious antics. Terry Patterson, a member of the audience, commented, "I thought the show was great, especially the skits."

Rick Conway was the Master of Ceremonies.

The Jean Kettel Dancers led by Denise Greenwood danced to "Jukebox Hero".

Mr. Prep, Fred Carter, is seduced by four Punk Rockers.

SADIE HAWKINS DANCE

On February 26, 1982, Patriots put on their overalls, flannel shirts, cowboy boots, and cowboy hats and filled the cafeteria for the Sadie Hawkins Dance. This was the one dance for which the girl had to ask the guy for a date. The evening was made complete by getting married to your sweetheart. The marriage was good for one week during school hours. After the ceremony, you could have a picture taken with your honey so you could remember the night forever. Then you could rock to the sounds of "Revolution." The dance was highlighted as Rick Conway and Julie Lubawski were chosen best dressed. Julie stated, "It was fun getting dressed up, and I was glad to see that most of the people were dressed for the occasion." At 11 o'clock, everyone filed out of the cafeteria and headed for their favorite hangout as they tried to make the evening a truly memorable one. Everyone enjoyed the change in dress, and the guys were flattered by being taken to the dance.

Dion Orlando, Jim Morroti and Kathy Travaglina are caught by surprise in this candid shot.

Father Fred Carter performs a wedding ceremony for Diane Doggendwarf and Mike Gunther.

SOPHOMORE CLASS PARTY

On March 19, 1982, the members of the class of '84 gathered together as a whole for the first time. On that night the Sophomore Class Party was held. Guided by their advisor, Mr. Rising, the steering committee worked very hard to decorate and get ready for this important event. The theme chosen was "Livin' Aftre Midnight," and the cafeteria was decorated in a fitting manner. Music was provided by the band "Legacy." Those who attended had a good time. The evening went well for the most part. The only disappointment was the lack of attendance. Many people thought that it was because of the band, but this was not the case. One sophomore stated, "Everyone who didn't come missed a great band!" Terry Patterson, an upperclassman, said, "The sophomore class has got to get more spirit and support for their class. Remember, your class and your years at Patapsco can only be as good as YOU make them." Putting this aside, the class officers are optimistic that the next class function will be supported more and draw a larger crowd. They are looking forward to the future.

The theme was "Livin' After Midnight" and "Legacy" provided the music.

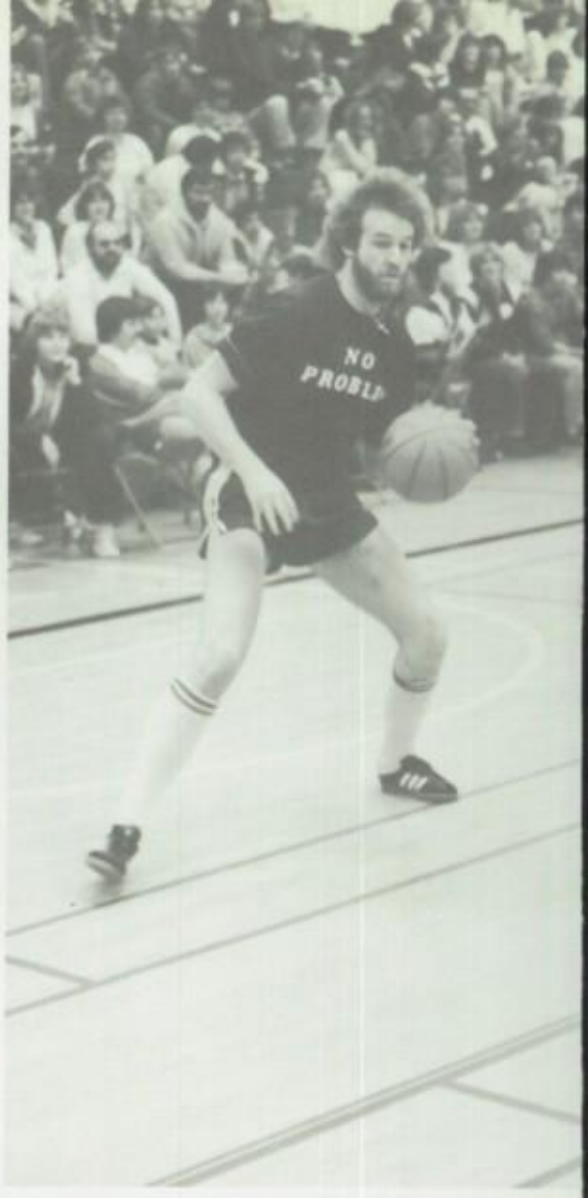
BLAST VS. PATRIOTS

When Baltimore thinks of soccer, one name comes to mind: the Blast! The Patriots are no different. When it was announced that members of the Baltimore Blast were coming to Patapsco, tickets began to sell immediately. Finally, the night came. On Wednesday, January 20, the Blast played in front of a capacity crowd. They were challenged by the Varsity Volleyball team and the women of the faculty and P.T.A. in a volleyball game in which the Blast members could not use their hands. By winning, the Blast proved that soccer wasn't the only thing that they could play well. In the next game they weren't so lucky. They were defeated in a basketball game by the men of the Patapsco faculty. With the matches at one to one, the most important event was next. The Blast played our own Varsity Soccer team in, what else, a soccer game. The Patriots gave a very impressive performance as they were able to hold the Blast to a 2 to 2 tie. John Hinterberger, Gordie Holland, Jerry Hammond, Marc Zlotkowski, Jim Nuce, and Bob LeBrun all played very well. With the matches standing at 1 win and 1 tie apiece, the evening came to a close. It was a fun-filled night, and it was exciting seeing the Blast in person.

Three members of the Blast find playing the faculty women amusing.

Anita Novak bumps the ball during the close volleyball match with the Blast.



Sepp has "No Problem" on the basketball court either.

Our cheerleaders for the evening were Fred Carter, Rick Conway, Charlie Cook, Joe Lubinski and not pictured were Foster Wilson and Don Stokes.

THE SPRING FLING

Who could believe that the school year was almost over? In a couple of months the class of '82 will be graduating and the school would be turned over to the Juniors of today. What better way to gather all three classes together for one last time then a dance. On March 26, 1982, Patriots from every class gathered in the cafeteria from 8-11 for the Spring Fling. Music for the evening was provided by "Winter Sun." The dance was held slightly early this year. Because of lack of chaperones, the Jr-Sr Dance had to be cancelled. After hearing this, the Student Council decided to hold it early this year, so it was planned for the end of Senior Week. As usual, the dance drew a very large crowd. Most of the student body was there, ready to dance the night away. The dance was an overall success and everything went well. The Student Council was very pleased with the way things turned out. The only sad part was that it was the last time all of the classes would be together as one. It also reminded Seniors that their years at Patapsco would soon be over and they wouldn't see some of their friends after that.

Shari Mitchell and Ken Meyers relax at the dance.

Randy Kicklighter, Marc Zlotkowski, Jim Nuce, and Bobby Campbell have a good time just sitting around.

Willie Smith, Lauri Bingle, and Julie Johnson take a break from dancing.

THE SPRING PLAY

The Drama and Music departments presented the Spring Play on April 2nd and 3rd. This year the musical was "Cabaret". The show, set in the era of vaudeville, had acts ranging from selections from ***My Fair Lady*** *to* ***Grease.*** *On the closing night April 3rd, the acts were judged, and first and second place prizes were awarded. Amy Huffman won first place for her rendition of "Big Spender" and Jeannine Cain was awarded second place for her song "As Long As He Needs Me." The rest of the cast included: Ray Leone, Kenny Adams, Darren Yingling, James Taylor, Paul Warfel, Mark Maust, Kevin Brown, Buddy Stachowski, Denise Greenwood, Trish Patterson, Denise Linz, Diana Jones, Paula Rinker, Gina Bennett, Paul Van Gosen, Greg Piechowski, Bobby Carnes, and Scott MacWilliams. YOUNG HEARTS BE FREE TONIGHT

It was the event of the season. The dance that was looked forward to the most, the Junior Prom, was held on Saturday, May 15, 1982. The theme chosen by the class was "Young Hearts Be Free Tonight." "Toys" provided the music. The cafeteria, through the hard work of the officers, steering committee, and the advisers, was transformed from a dreary lunch room to an elegant ballroom. The evening was highlighted by the announcing of Prom King and Queen.

The court included:
King and Queen- Henry Tiburzi and Peggy Caldwell
1st runner-up Rick Delfino and Missy Miller
2nd runner-up Ted Nelson and Angie Hamp
3rd runner-up Dave Andryzak and Pat Kessler

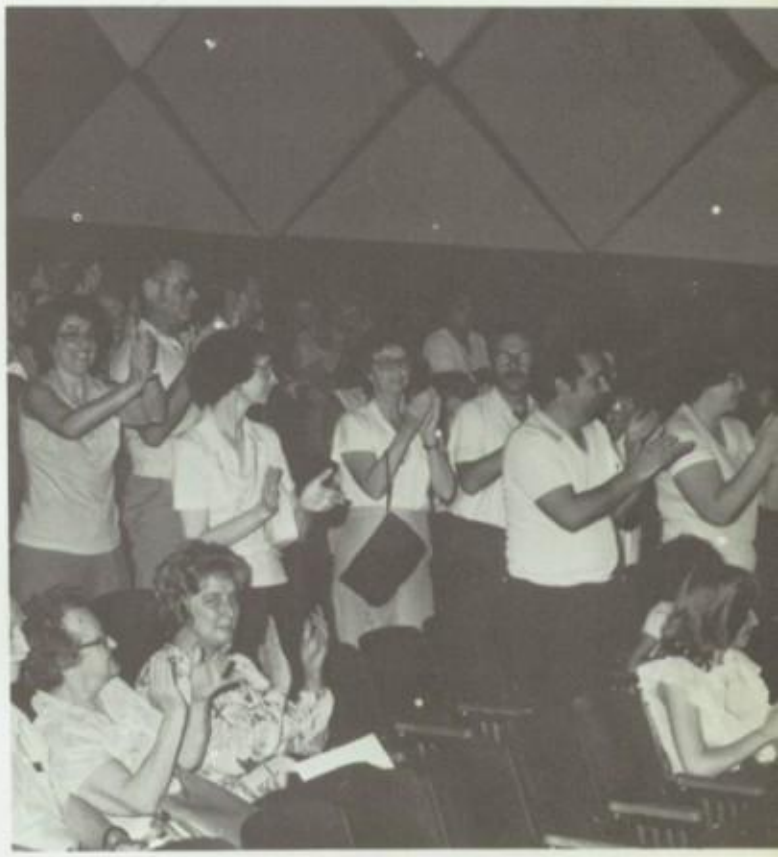
SPRING CONCERT

The Music Department of Patapsco knows how to bring the year to a fitting end. On May 20, 1982, the Spring Concert was held. The band and vocal music groups gave the parents and friends of P.H.S. quite a treat. Under the direction of Mr. Kovacs and Mr. Smeallie, the two groups worked hard to make this last concert one to remember. Admission was free, so this made it even more tempting for the students, parents, and faculty to come to the concert. The vocal and instrumental groups in Patapsco are ones that everyone should be proud of.

The Concert Choir performed at the Spring Concert.



Because of their excellent performances, the music groups received a standing ovation.

Because there were two bands, those in attendance could dance the entire night.

Throughout the year members of the steering committee had worked hard in planning the Prom, and their hard work paid off.

The night was filled with dancing, picture-taking, and reminiscing. As the clock struck one everyone left to join their friends in the celebration. Everyone attending had a great time. Lori Rolfes commented, "The bands were great, and I had a terrific time."

CROSS COUNTRY

The Cross-Country team was made up of twenty runners. Mr. Jerry Thelen, coach for the team, felt that the three year senior runners for the team were the strong points. Not enough sophomores went out for the team and that became a major weakness. Experience helps in running. George Reagan, senior, came thirtieth in the state out of 131 runners. Sue Pawlikowski was a very strong competitor for the squad. Managers this year, who worked very hard, were Deanne Quick and Joanne Riebel.

CHEERLEADING

The Varsity Cheerleading Squad consisted of six senior girls and three junior girls. Coach of both Varsity and J.V. squads was Ms. Carol Mason. She said, "There were no stars on either team but all did excellent jobs of working together as a team." Varsity had many strong points such as teamwork, spirit and dependability. There were some weaknesses in volume, motivation and crowd control. The J.V. Squad were hard working and enthusiastic. They also had weaknesses in teamwork and leadership. Achievements for Varsity were cheering in the Minuteman Tournament and for the Faculty Basketball game. Also, a cheerleading competition was held in Annapolis. J.V. attended a one day clinic at Sparrows Point High and combined with the Varsity for a competition at Annapolis. They also combined for a benefit game at Dundalk Community College. Ms. Mason would like to recognize one girl who she felt exhibited an outstanding attitude and fine cooperation. She is Arlene Farley, a junior. All the girls led the teams to many victories and some defeats, but the main thing was they had spirit!

As this 1982 edition of our yearbook draws to a conclusion, our staff is certain that the enclosed pages will provide a memorable connection between your success this past year and your success in future years. The magic found in a rainbow is in believing. Whatever you believe yourself to be, you are. Only you can set your life's goals and only you know your limitations. Just as a rainbow is unique, so are you. Whatever your mind can conceive and believe, you will achieve. There is a pot of gold within you which contains all the necessary ingredients for success. Show the world the colors of your rainbow and we are sure that you, too, will find "The Rainbow Connection."
